The CADDY CARD™

will help you identify the areas of your game that need improvement!

- Pencil in the location results of every shot on the graphics provided for each hole.
- Make notes on each club used in the "notes" section.
- Record all putts.
- Take the card home, analyze your game hole by hole, shot by shot.
- Use the summary column on the back page to calculate fairways hit, etc.
- Use all information gathered to plan your next round.
- See your local golf professional for assistance.

WATCH YOUR GAME IMPROVE! LOWER SCORES ARE MORE FUN!

Rules and Information

- 90 degree rule is in affect on all holes except par 3's
- Par 3's are cart path only
- All Carts should be kept at least 50 yards from all greens
- A 150 yard post is positioned on all par 4 and par 5 fairways
- Sprinkler heads are marked to the center of the green.
- Pace of Play should be at 4 hours with a maximum of 4 1/2 hours.
- Slow play is unacceptable.
- Play Ready Golf/Keep up with the group in front of you.
- Each group will be monitored for pace of play. If you fall behind the group in front of you a ranger will ask you to pick up the pace. On the 3rd warning you will be asked to skip a hole to get back into position or play from the 150 yd marker until you get back into position.
- Any damage to course, carts, or clubhouse will result in additional responsibility and costs to the player causing the damage.

Ready Golf Tips

- Consider club selection prior to arriving at the ball
- Limit 'lost ball' search to 5 minutes (rule 27)
- Mark the ball flight with a background object for quick locating
- Study the line of putt while others are putting
- Be Ready to play

Golf Course Care and Etiquette

- Repair all ball Marks
- Fill all divots with sand provided on carts
- Rake all sand bunkers

Youth Spotlight

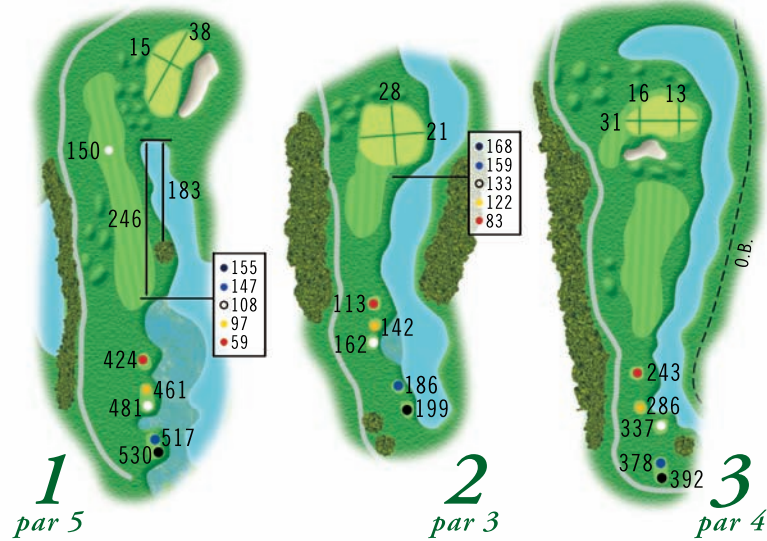

Amelia Lewis at age 15 making Jacksonville Proud! A fifth generation Jacksonville native and the city's favorite hopeful for the LPGA. Already has 31 tournament wins including 2 local amateur men's championship titles. Several awards including 2006 Callaway junior PGA player of the year 13 - 15 division, SJCC female long drive champion. A power house with her driver in her hands hitting the ball off the tee at 260 yards and a scratch golfer it's hard to believe that it was only five years ago, when Amelia started playing golf. Amelia has qualified 2 years in a row for major events like the USGA girls junior and the Wal-Mart First Tee Open at Pebble Beach which recently aired Labor Day weekend (her partner was Ponte Vedra's Champion tour player Morris Hatalsky). She is a supporter of the First Tee's 9 core values in her daily life. Also her family and faith are just as important to her, they define her. It should not come as a surprise that her idol is the late great Payne Stewart. Amelia plans to take her game all the way to the top.

Impacting the lives of children by teaching them life enhancing values through the game of golf!

Hit this wide fairway and play down the left side for a short iron to the green. Birdie is a possibility.

A miss to the left is the only place for a poor tee shot to survive this difficult par 3.

Tee shot has moguls down the left and water down the right. Better to miss this green to the left.

5
par 5

A good tee shot, and a mid iron lay up takes the water out of play for a possible birdie.

6
par 4

Play to left side of this fairway to insure a short iron to the green. Be careful around this small green.

7
par 4

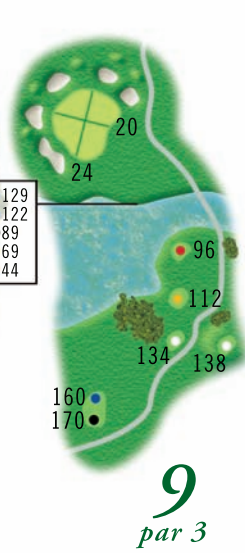

Watch the water on left side. A long iron is needed as this narrow green is surrounded by bunkers.

8
par 4

An accurate drive and avoiding the bunkers around the green will help you to have a chance at birdie.

9
par 3

A Shorter tee shot is better than a long one here because of the bunkers surrounding the green.

Hit tee shot on this dog leg right towards the 150 yd marker, leaves a good shot over the water.

NOTES

Missing the green, left it will be hard to par this one. A little short is not a bad miss.

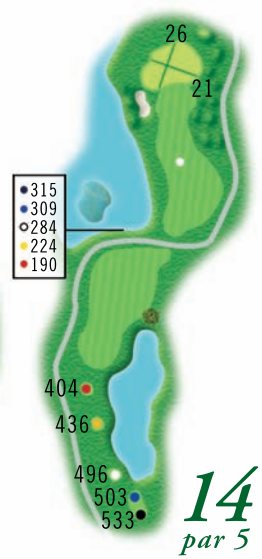

A straight drive will avoid water on the left. Playing left of the green helps miss bunker on right.

Tee it up and hit everything you have. Avoid bunkers and water on second shot helps to par this one.

NOTES

Driving down the middle and a 2nd shot laying in the fairway will miss all the water on this hole.

Avoid water on left and be on this big green in two. Moguls and trees on right side of the fairway.

SUMMARY PAGE

Tough par 4 with water to left. Long iron will be required to this narrow green.

Bunker in rear, marsh to left and collection area to right, makes a short tee shot the only good miss.

Water down right and in front of green so don't get too aggressive and end on a bad note here!
